Legislative Counsel

Dear Mr. Raborn:

This is in reply to your request for our advice on a draft of a bill
"To amend the Central Intelligence Agency Act of 1949, as amended,
and for other purposes."

You are advised that subject to various technical and clarifying
changes in the draft, which have been informally agreed upon between
the staff of the Bureau of the Budget and your legislative staff, there
would be no objection to the presentation of your draft bill to the
Congress from the standpoint of the Administration's program.

Sincerely yours,

(Signed) Wilfred H. Rommel

Acting Assistant Director
for Legislative Reference
